

# Welcome in the Library of the Faculty of Architecture, BUT

## Opening hours

**MON-THU** 9:00-18:00

**FRI** 9:00-14:00

## Registration is ready...

BUT students are automatically registered to all BUT libraries. An ISIC card is what you need for borrowing.

## I want to borrow a document

You can find the relevant document in the PRIMO system. If the document is in the **open access section**, pick it up from the appropriate **shelf**.

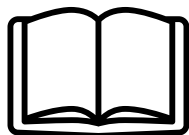

We will bring you the document in the **depository** (i.e. warehouse) upon request. Just report the **signature** A\*\*\* to the librarian at the circulation desk.

**PRIMO is a unified search engine that allows:**

- search the **catalogues of BUT libraries**
- search for available electronic information resources (**EIRs**)
- **after logging in: renewing** loans and **reserving** borrowed documents

Max  
30 documents

Online renewing  
and reservation

2 CZK overdue fine  
per item and day

## Marking of books in the open access section

only on-site loan

one week

four weeks

## Journals

**Current issues** of journals: shelves on the **ground floor**, **only on-site loan**

**Last 4 years of journals:** freely stored **upstairs**, **loan for a week**

**Older issues:** in the **warehouse** (can order from the librarian), **loan for a week**

## E-resources (EIRs; on our social sites known as #EIZ)

EIRs (databases) contain a large amount of up-to-date verified information.

The EIRs are available through online access:

- from **computers on the university network**
- using **remote access** via a proxy server or the Shibboleth system
- are also **searched by the PRIMO** search engine

List of databases : <https://www.vut.cz/en/uk/eir/databases>

## I need to print, copy or scan

All reprographic services are **self-service**.

### Printing:

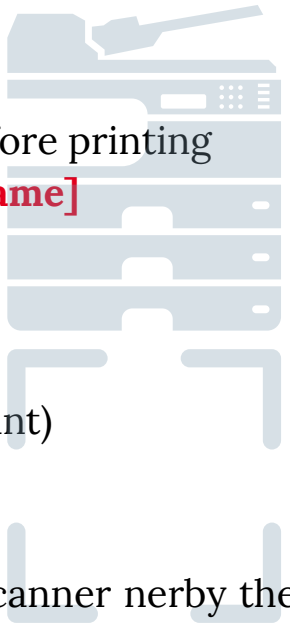

- each student has a print account that must be charged before printing
- the account is linked to the faculty account: login **xa[surname]**

### Copying:

- available by arrangement with librarians
- number of copies must be reported
- it is paid separately (or we can use money from your account)

### Scanning

- free of charge service
- 3 scanners: 2 handheld scanners upstairs and one book scanner nearby the circulation desk; scanning on the printer upstairs is not possible
- scanning on a book scanner cannot be done without its own USB drive
